U.S.A.

31st October, 2000.

Dear Ms. Smith,

Thank you for applying for an assessment of research possibilities regarding **Thomas Gaughan**.

The North Mayo Family Research Centre carries out research into the history of families in the northern half of County Mayo. However, in assessing this enquiry we have worked in close co-operation with our South Mayo counterparts.

Should anything require clarification, please do not hesitate to contact us.

Yours sincerely,

Aileen Horkan - Research Department.
